	Letter no Ste 381 dy 20-2-25
	States that it is not possible to provide room for the city magistrate's court in the DC Office building at present and that if the Central Hall in the District Office building which is no longer required for Representative Assembly meetings is placed at his disposal, the entire DC Office person will be shifted to the Hall after certain alterations and the rooms set free thereby will be made available to the City Magistrate's Court and the First grade magistrate's court as well.
	3) The Dy Court says that if it is decided to place the hall in the District Office at his disposal, he will submit detailed proposals in consultation with the Executive Engineer: The proposal involves some additional expenditure but it provides great convenience to the public and lawyers as both the magistrate's courts will be located in the same building. If approved administrative sanction may be accorded and detailed proposals called for. Submitted for order

Serial No.

The Bar Association at Lucknow have passed a resolution that the city magistrate's Court at Lucknow be removed from its present building to the Public Offices for the convenience of the parties and their counsels.

If the city magistrate's Court is located in the Public Offices buildings as proposed, it would be nearer the Civil Courts of Magisterial & Revenue Courts also. In the circumstances the D.M's letter, it would be seen that the D.M. was once of opinion the city magistrate's court ought properly to be located in the heart of the city rather than in a corner as proposed.

But the Public Offices building is not far away from the city.

The D.M. who was consulted in the matter of finding accomodation has said that unless the hall of the building is placed at his disposal, he cannot find accomodation for the city magistrate's Court in the building.

At present, the R.A. meetings are not held in the hall & there is not much use for it except that the ~~D.C's~~ D.C's meetings are held here.

This may be held in the Jagan mohan

9) If the hall is placed at his disposal the D.C. says that he will be able to distribute the Police, and find accomodation for the Police only needed round the office of the Special Magistrate which also needs accomodation.

10) The question whether the hall is to be reserved for any public functions in which dancing or to be confined to office is a point for orders.

SIR,

With reference to your docket No.P.2485/Cts.144-24-2, dated the 10th November 1924, forwarding for my remarks a a copy of the Resolution passed by the Mysore Bar Association in the matter of shifting the City Magistrate's Court to the Public Office Buildings in Mysore, I have the honor to state that the Registrar, Chief Court having raised the same question in July 1924, my predecessor reported in this office letter No.D2.Dis.307-24-25 dated 28th August 1924, that it was not found possible to find accommodation for the City Magistrate's Court by a readjustment in the Public Office Buildings. A copy of the letter as well as of the letter D2.Dis.306 of the same date referred to herein is enclosed for favour of perusal.

I inspected all the rooms in the Public Office Buildings on the 9th instant, and find that it is not possible to provide accommodation for the City Magistrate's Court with the accommodation at my disposal. If however the Central Hall which is not now being used for Representative Assembly Meetings is placed at my disposal after removing the gallery and the dais, and permission is granted for effecting petty alterations and putting up a few partitions, I shall arrange to locate the

Letter No.D2.Dis. 306/24-25 dated 28th August 1924, from the Deputy Commissioner, Mysore District, to the Registrar of the Chief Court of Mysore, Bangalore.

With reference to your No.C.77 dated the 10th July 1924 in the matter of providing suitable accommodation to the Special First Grade Magistrate's Court, Mysore, I have the honor to state that on a prolonged correspondence the Government were pleased to pass final orders in their No.G.12019-22/Cts.235-18-17 dated 18th December 1920, providing accommodation to the several offices under my control including the Special Magistrate's Court at present located in the Public Office Buildings by shifting the District Forest Offices to the Taluk Cutcherry Building.

2. The District Forest Officers did not shift their offices from this building and after the lapse of three years that Department pleaded inconvenience to shift the offices. The matter was further considered by Government and final orders were received with the Revenue Secretary's letter No. I.C. 5715/Ft.318-22-9 dated 24th March 1924 (copy herein enclosed for the kind perusal of the Chief Court).

3. This office and the Mysore Sub Division Office are likewise suffering for want of suitable accommodation. But it has not been possible to provide additional accommodation to the Special Court in the Public Offices Building by a re-arrangement, as suggested in your letter.

It may further be added that the present location of the City Magistrate's Court, in the Centre of the City is very convenient and a change to the Public Office Buildings at one ~~an~~ extreme end does not appear to be desirable.

Adverting to correspondence ending with this office letter No. H.C. 226/25-26 dated 19th December 1925 in the matter of placing at my disposal the Central Hall of the Public Office Building in connection with the shifting of the City Magistrate's Court thereto, I have the honour to state for the information of Government that the work of minor alterations proposed to be made has been stopped for the reason that the required funds for the construction of sky lights could not be found by the Chief Engineer from the P.W.D. Budget. If the City Magistrate's Court is shifted to the Public Office Building, the office of the Deputy Commissioner of Income Tax which is now located in a rented building paying an annual rent of Rs. 480/- can be shifted to the City Magistrate's Court rooms in the Government building, the Bench Magistrates' Court occupying the other portion as at present.

The cost of the sky hights does not exceed Rs.800/- and if the work is expeditiously carried out, the Government will save an annual expenditure of Rs. 480/- on account of rent for the Income Tax Deputy Commissioner's Office.

SIR

Alterations to the Durbar Hall in the public office building at Mysore.

With reference to your letter No.P.3886/Cts 144-24-6 dated the 8th February 1926 calling for certain information in connection with the alterations to be made to the Durbar Hall in the Public Offic building at Mysore for the location of offices therein, I have the honour to inform you that Government in their Order No.P.6101-5/Cts 144-24-4 dated the 1st May 1925 have stated that the hall may be placed at the disposal of the Deputy Commissioner temporarily putting up temporary partitions only. Accordingly an estimate amounting to Rs 820 for providing temporary partitions was sanctioned in October 1925 and the work ordered to be put in hand.

Subsequently, the Deputy Commissioner, Mysore ~~Division~~ District reported that the improvement ordered will be of no use unless sky lights are provided. Now, the Executive Engineer, Mysore Special Division has submitted a revised estimate for Rs 1,580 providing for the sky lights. But this has been kept back as Government have ordered that no structural alterations need be carried out. If Government desire that the sky lights may be provided the revised estimate will be sanctioned.

2. The insertion of the sky light is a structural alteration

in as much as the flat terraced roof is to be ripped open and a subsidiary roof put on over the opening.

3. The sky lights will not spoil the appearance of the building and they are not likely to interfere with the use of the hall for Representative Assembly or other purposes if required.

I have the honour to be,

Sir,

your most obedient servant,

SIR

In continuation of this office No.B. 12722 dated the 7th May 1926, I have the honour to forward herewith, a tracing plan showing the alterations etc, proposed to be made to the Durbar Hall of the Public Office Buildings at Mysore.

2. A copy of the letter received from the Executive Engineer, Mysore Special Division on the subject explains how the new sky lights are not likely to interfere with the appearance of the building.

Letter No.691 dated the 8th May 1926 from the Executive Engineer, Mysore Special Division, Mysore, to the Chief Engineer of Mysore, Bangalore.

With reference to your No.12321 dated the 29th April 1926, I have the honour to submit herewith a sketch of the skylight proposed to be built over the terrace roof ~~as~~ for affording the required light to the Durbar Hall of the Public Office building at Mysore for favour of your information and to state that the height of the parapet wall alround the terrace is 4 feet and the maximum height of the skylight is only 3 feet and nine inches and it will therefore not be visible from out side and consequently cannot be shown on the elevation. If however an elevation of the building is required, it will be traced and submitted.

SIR,

Alterations in the Durbar Hall of the Public Office building at Mysore.

With reference to correspondence ending with this office No. B.13619 dated the 31st May 1926 regarding the alterations to be effected in the Durbar Hall of the Public Office building at Mysore, I have the honour to inform you that a revised estimate providing for sky-lights has been pending disposal in this office and could not be sanctioned as no orders are yet received on the proposal to introduce sky lights. It may be kindly stated when orders may be expected to be received in this office.

I have the honour to be,
Sir,
Your most obedient servant,

For Chief Engineer of Mysore.
